Dear Parents/Guardians,

Welcome to Miller Elementary School!

On behalf of the entire staff, I would like to extend a warm welcome to all new and returning families. We are thrilled to have you as part of our school community and look forward to an exciting and successful academic year ahead.

At Miller, we are committed to providing an enriching and supportive learning environment that fosters academic growth, character development, and personal well-being. Our dedicated team of educators is passionate about helping each student reach their full potential, and we strive to create a safe and inclusive space where every child can thrive.

We believe in the importance of parental involvement and partnership. We ask that your students attend school daily, arrive on time and are prepared for learning. To ensure even further partnership and success, we encourage you to participate in school events, join our parent-teacher organization or School Site Council, and communicate regularly with your child's teachers. To stay informed about school news, upcoming events, and important updates, please make sure to regularly check our school website and follow us on Facebook. Our website will also provide you with access to our monthly Newsletters, resources, educational materials, and contact information for our staff members. Together, we can ensure that your child receives the best possible education and support, making Miller Elementary an extraordinary school for all students.

We are excited to announce that we will be hosting a few back-to-school events. This will be an excellent opportunity for you and your child to meet their teachers, explore the school premises, and get acquainted with our school community. More details about the events will be shared in the coming weeks. Please mark your calendars as we look forward to seeing you!
